WHAT WE CAN OFFER YOU:

Y&A offers an exciting atmosphere to pursue your career in public accounting. We offer a friendly, supportive, courteous, professional and challenging work environment. Our firm encourages a team concept and stresses the importance of working together to meet our goal of providing exceptional service from highly qualified personnel.

We are a progressive firm with the intent of hiring the best. Our diverse client base offers a great variety of work experience and training in many different areas. Completing all aspects of an engagement file, as well as direct involvement with the partners and clients on engagements provide exceptional training opportunities.

We offer our co-op students:

- Direct feedback during or upon completion of each engagement
- Exposure to all facets of accounting (e.g. audit, tax, financial, advisory) and industries
- A four-day work week in the summer
- Numerous firm social functions
- Exceptional compensation
- Quality training and experience to be successful in your accounting careers
